

Model 2016

OUTDOOR ANTENNA

HDTV, VHF High Band and UHF

Get the Clearest Picture and Sound™

APPLICATION

The Channel Master 2016 is a compact outdoor TV antenna that is engineered to receive high quality digital/HDTV broadcast over channels 7 to 51. Since most broadcasts after the February 2009 analog shutoff will be made on channels 7 to 51, stations that the 2016 is perfectly suited. Oversized antennas will be needed for low band channels 2 to 6.

FEATURES & BENEFITS

- Offers optimum reception for today's digital reception and beyond the February 2009 analog shutoff
- Quality design from a brand you trust
- Compact size
