SCP Part# 946 – HDMI Extender Installation Diagram

In order to ensure a properly working connection for the SCP HDMI Extender please follow the diagram below.

1- HDMI Extender Correct Installation

1- HDMI Extender Wrong Installation

IMPORTANT:

1. Please use only a 3ft or 6 ft maximum HDMI cable to connect the HD component (DVD, etc) to the transmitter end of the 946 and also for connecting the HDTV to the receiver end of the 946.
2. Between the two 946 extenders, please make sure that the Cat5e cable is not longer than 25 meters or 40 meters if you are using Cat6 cable.
